Product Information Guide

Our Muay Thai marinade give a round house kick of flavour straight to your chops! Our Thai style marinade can be used as a rub, but a few simple steps are recommended to make a thick fresh tasting marinade filled with cuts of herbs and a juicier appearance.

Key elements of traditional south-eastern Thailand cuisine have been used to create a characteristically complex and pungent flavour combination. The marinade includes the key spices used in Thai cuisine including lemongrass to deliver a fresh fragrance sensation to the tastebuds. This and the many other spices give a complex flavour that is characteristic of many classic Thai national dishes, such as Thai Green Curry (or as they say "kaeng khiao wan").

As you would expect, the seasoning is made without flavour enhancers, using only natural colours & flavours. For meat cuts that are full of flavour, full of pride!

All the Butchers Pride™ marinades are available from the listed distributors detailed above. Don't forget to check out our sausage seasonings, sausage mixes, burger mixes, and burger seasonings.
