

Product Information Guide

Our T.T. BBQ marinade is a classic Memphis style BBQ marinade that can be used as a rub, but a few simple steps are recommended to make a juicy tomato-red marinade. Why the TT? Some say it stands for Tasty Tomato, some say it means Thick and Tangy, all we know is that it has a Top Taste!

This sweet, tangy-tomato BBQ style marinade can be characterised by sweet tomato that is set with a little bite of acid but also complimented by selected herbs and spices.

As you would expect, the seasoning is made without flavour enhancers, using only natural colours and natural flavours. For meat cuts that are full of flavour, full of pride!

All the Butchers Pride™ marinades are available from the listed distributors detailed above. Don't forget to check out our sausage seasonings, sausage mixes, burger mixes, and burger seasonings.
